RAAM2026

About IITH

Indian Institute of Technology Hyderabad (IITH), established in 2008, is a premier institute of science and technology consistently ranked, by NIRF, among India's top 10 engineering institutes. With a strong emphasis on research, innovation, and interdisciplinary learning, IITH offers flexible undergraduate, postgraduate, and doctoral programs across engineering, sciences, design, and liberal arts. The institute fosters entrepreneurship and global collaborations, with a special partnership with Japan reflected in its academic, research, and campus development.

About the Department of Mathematics

The Department of Mathematics is one of the six departments founded along with the Institute and offers programmes leading to the degrees BTech (Maths and Computing), MSc (Maths, Maths and Computing), PhD. Since its inception, the department has made a conscious effort to grow in sync with the directions of the Institute and the larger needs of society. In consonance with this philosophy, the department envisages the following:

"To foster eclecticism and excellence in mathematical education and research, which is well poised between abstraction and application."

RAAM2026

About

The International Conference on Recent Advances in Applied Mathematics is an annual event that brings together researchers and academicians from India and abroad to discuss recent developments in Applied Mathematics. Following successful editions at BITS Pilani Dubai (2023), IIT-BHU Varanasi (2024), and University of Colombo (2025), RAAM 2026 aims to foster fruitful collaboration among young researchers and academicians from across the country. Scheduled before the start of the academic year, in Hyderabad, it offers a chance to combine academic exchange with cultural exploration.

Focus Areas

- Artificial Intelligence & Machine Learning
- Applied Algebra and Analysis
- Biomathematics
- Differential Equations
- Fluid Dynamics
- Logic & Soft Computing
- Mathematical Finance
- Numerical Analysis and Scientific Computing
- Optimization
- Probability, Statistics & Data Science
- Any other topics in Applied Mathematics

Conveners (Department of Mathematics, IIT Hyderabad)

Prof. C. S. Sastry
Dr. Vikas Krishnamurthy
Dr. Jyotirmoy Rana

RAAM2026

Advisory Committee

Prof. Rajen Sinha, IIT Guwahati

Prof. Sanyasi Raju, IIT Madras

Prof. Natesan Srinivasan, IIT
Guwahati

Prof. Trilochan Sahoo, IIT Kharagpur

Prof. Satyananda Panda, NIT Calicut

Prof. A. K. Nandakumaran, IISc
Bengaluru

Prof. Satyajit Roy, IIT Madras

Prof. P. V. S. N. Murthy, IIT Kharagpur

Prof. T. V. S. Sekhar, IIT Bhubaneswar

Prof. Rajesh K. Pandey, IIT(BHU)
Varanasi

Prof. Balakrishnan, McMaster
University, Canada

Chief Patron

Prof. B. S. Murty,
Director, IIT Hyderabad

Chairman

Prof. G. Ramesh,
Head of Department of Mathematics
IIT Hyderabad

Local Organising Committee: (Department of Mathematics, IIT Hyderabad)

Prof. J. Balasubramaniam

Prof. Narasimha Kumar

Prof. Venku Naidu

Dr. Bhakti Bhushan Manna

Dr. Sameen Naqvi

RAAM2026

Registration Details:

The registration fee covers breakfast, lunch, and dinner from July 06-08, 2026, and the conference dinner. We are in the process of securing funding for the conference, and partial support may be provided in case we are successful.

Registration fees includes 18% GST.

Students/Postdocs: ₹3540

Faculty: ₹7080

Industry Participants: ₹11800

Foreign Participants: US\$177

For participants from within IIT Hyderabad, GST waiver is applicable. (**Students/Postdocs: ₹3000, Faculty: ₹6000**).

Dates and Deadlines

Abstract submission opens:
February 4, 2026

Abstract submission deadline: **April 30, 2026**

Abstract Acceptance: **May 15, 2026**

Registration deadline: **May 31, 2026**

Accommodation

There are two options for accommodation on-campus. The International Guest House offers modern and convenient lodging within the campus. Rooms in the IITH student hostels will also be made available during the conference. More information will be provided in due course.

Event Venue

IITH Convention Center
